### **Benefits Analysis Fees**

All services listed below require prior written authorization by the Division of Vocational Rehabilitation before services can be rendered and payment can be made.

\$300 / Analysis, Meeting and Report	Informed Choice Benefits Analysis: Payable upon completion of the analysis, meeting with consumer and report to consumer and DVR Staff. The consumer is to decide whether to pursue an IPE. In accordance with the Technical Specifications, the service is to be completed within 1 month of referral.
\$650 / Analysis, Meeting and Report. (If Informed Choice Analysis provided, pay balance of \$350)	In-Depth Benefits Analysis: Payable upon completion of the analysis, meeting with consumer and report to consumer and DVR Staff. In accordance with the Technical Specifications, the service is to be completed within 2 months of referral.
\$650 / Approved Plan	SSA-Approved PASS Plan: Payable upon verification of SSA approval of plan.
75 cents / mile	Provider can charge 75 cents/mile for actual miles driven over 100 miles round trip travel to and from the closest service provider facility and the site where services are provided. Mileage up to 100 miles is included in Agreement rate. The 75 cents/mile charge begins with mile 101. Service provider must submit a travel log detailing mileage. Payment will be made at the time the consumer has received the benefits analysis services.

## Job Development Fees

All services listed below require prior written authorization by the Division of Vocational Rehabilitation before services can be rendered and payment can be made.

\$900	Hire in a job meeting the requirements listed in the Technical Specifications.
\$900	Job Retention – This is payable upon completion of 90 days of employment, referred to as a “Placement” in the Technical Specifications.
75 cents / mile	Provider can charge 75 cents/mile for actual miles driven over 100 miles round trip travel to and from the closest service provider facility and the site where services are provided. Mileage up to 100 miles is included in Agreement rate. The 75 cents/mile charge begins with mile 101. Service provider must submit a travel log detailing mileage. Payment will be made at the time the consumer is placed on the job.
Additional Social Security Job Retention Fees:	
\$1000	Social Security Job Retention Services payment after three (3) months work at or above \$1010 (\$1450 Blind) per month. This amount is SGA plus the Social Security Administration established tolerance of \$200 (\$100 Blind) that takes into consideration any impairment related work expenses or subsidies that the beneficiary may have. These amounts are reviewed and may be modified, periodically by the Social Security Administration, usually at the start of each Federal Fiscal Year (October 1). Report and wage documentation is required and must be sent to the DVR Staff and the DVR Social Security Reimbursement Coordinator.
\$1000	Social Security Job Retention Services payment after six (6) months work at or above \$1010 (\$1450 Blind) per month. This amount is SGA plus the Social Security Administration established tolerance of \$200 (\$100 Blind) that takes into consideration any impairment related work expenses or subsidies that the beneficiary may have. These amounts are reviewed and may be modified, periodically by the Social Security Administration, usually at the start of each Federal Fiscal Year (October 1). Report and wage documentation is required and must be sent to the DVR Staff and the DVR Social Security Reimbursement Coordinator.
\$1000	Social Security Job Retention Services payment after nine (9) months work at or above \$1010 (\$1450 Blind) per month. This amount is SGA plus the Social Security Administration established tolerance of \$200 (\$100 Blind) that takes into consideration any impairment related work expenses or subsidies that the beneficiary may have. These amounts are reviewed and may be modified, periodically by the Social Security Administration, usually at the start of each Federal Fiscal Year (October 1). Report and wage documentation is required and must be sent to the DVR Staff and the DVR Social Security Reimbursement Coordinator.

## Supported Employment Fees

All services listed below require prior written authorization by the Division of Vocational Rehabilitation before services can be rendered and payment can be made.

\$650	Assessment: Payable upon delivery of an assessment report acceptable to the DVR Staff. In accordance with the technical specifications, the provider has 60 days to complete the assessment.
\$1400	Job Hire: Payable upon actual hire on a job that is in accordance with the employment goal noted on the assessment and placement plan. If this does not occur during the first 90 days, the DVR Staff and consumer should be contacted, the issues addressed, and the plan modified, if appropriate.
\$600	Ongoing Support: Monthly rate with a minimum guarantee of 6 months if the consumer remains employed. Monthly progress reports are expected.
\$1000	Outcome incentive payment paid if transition to Long Term Support (LTS) occurs upon completion of 6 months of support. It is payable 90 days after the transition has been successfully completed.
Additional Social Security Job Retention Fees:	
\$1000	Social Security Job Retention Services payment after three (3) months work at or above \$1010 (\$1450 Blind) per month. This amount is SGA plus the Social Security Administration established tolerance of \$200 (\$100 Blind) that takes into consideration any impairment related work expenses or subsidies that the beneficiary may have. These amounts are reviewed and may be modified, periodically by the Social Security Administration, usually at the start of each Federal Fiscal Year (October 1). Report and wage documentation is required and must be sent to the DVR Staff and the DVR Social Security Reimbursement Coordinator.

75 cents / mile	Provider can charge 75 cents/mile for actual miles driven over 100 miles round trip travel to and from the closest service provider facility and the site where services are provided. Mileage up to 100 miles is included in Agreement rate. The 75 cents/mile charge begins with mile 101. Service provider must submit a travel log detailing mileage. Payment will be made at the time the consumer has received the supported employment services.

## On-Site Job Coaching Fees (Other Than Supported Employment)

All services listed below require prior written authorization by the Division of Vocational Rehabilitation before services can be rendered and payment can be made.

\$30 / hour	Paid for direct contact job coaching services.
75 cents / mile	Provider can charge 75 cents/mile for actual miles driven over 100 miles round trip travel to and from the closest service provider facility and the site where services are provided. Mileage up to 100 miles is included in Agreement rate. The 75 cents/mile charge begins with mile 101. Service provider must submit a travel log detailing mileage. Payment will be made at the time the consumer has received job coaching services.
Note: This service replaces the Community Employment Program category. DVR's intent is to allow for job coaching to be purchased in a variety of situations including short-term situations to reinforce the stability of a job placement, to supplement a work experience or as a component of an on-the-job evaluation.	

## Vocational Evaluation Fees

All services listed below require prior written authorization by the Division of Vocational Rehabilitation before services can be rendered and payment can be made.

\$100 - \$300 / report	Psychometric Assessment: Test Scores Only; Varies depending on number of tests and inventories administered.
\$400 / report	Psychometric Assessment: Comprehensive Report.
\$600 / report	Work Sample Assessment (Up To 5 Days): Comprehensive Report.
\$600 / report	On-The-Job Evaluation: Comprehensive Report.
75 cents / mile	Provider can charge 75 cents/mile for actual miles driven over 100 miles round trip travel to and from the closest service provider facility and the site where services are provided. Mileage up to 100 miles is included in Agreement rate. The 75 cents/mile charge begins with mile 101. Service provider must submit a travel log detailing mileage. Payment will be made at the time the consumer has received the vocational evaluation services.
Note: A comprehensive evaluation report addresses all major areas cited in the technical specifications as applicable to the needs of the consumer. DVR Staff may pay less than the scheduled rate if the report does not adequately meet this requirement.
